As regards the Establishment required for Mr. K. Matthan during the period of his special duty, provision is made in the draft only for his being given 3 clerks one by each of the Deputy Commissioners of Hassan, Shimoga and Kadur, as per Dewan's submission note to His Highness. It is necessary that he should also be given some menial Establishment while he is on special duty. I am not sure if the Deputy Commissioners of the malnad Districts will be able to give him the required menial Establishment, and even if they are willing to spare the menials, whether the men would be prepared to go to Bangalore for a period of one month.

2 I would therefore suggest that a menial Establishment consisting of 5 peons on Rs.8 and one Duffedar on Rs.10 may be sanctioned to him while he is on special duty. A tent from the Secretariat Stores will be placed at his disposal together with a Lascar. The extra charge to Government will be only Rs.50 and there can be no difficulty in meeting it.

Immediate

Sir,

As I fear there will be delay in the clerks of the Hassan, Kadur & Shimoga districts, who may be deputed by the Deputy Commissioners to work under me during the period of my special duty, repairing themselves home, and as in any case a typist is required, I have the honour to request that in view of the three district clerks, I may be allowed a typist and a clerk on such salaries as Government may consider fit. I also request that a typewriter may be sent to my office from the Secretariat If any of the district clerks come soon, I shall not entertain the temporary clerk now asked for.
